

## CITIZEN'S CHARTER

## CITIZEN'S CHARTER

#### I. MANDATE

Pursuant to Presidential Decree No. 198, the Dagupan City Water District was created and mandated for the purpose of (a) acquiring, installing, improving, maintaining and operating water supply and distribution systems for domestic, industrial, municipal and agricultural uses for residents and lands within the boundaries of such districts; (b) providing, maintaining and operating wastewater collection, treatment and disposal facilities; and (c) conducting such other functions and operations incidental to water resource development, utilization and disposal within such districts, as are necessary or incidental to said purpose.

Pamana Water Corporation (PAMANA) is duly organized and existing under Philippine Laws with principal office address at No. 900 D. Romualdez St., Paco Manila.

#### I. VISION

For the DCWD-PAMANA Joint Venture to be an essential and trusted partner of the People of Dagupan City in providing sustainable, high quality water-related services to meet the increasing demand and needs for water supply.

#### II. MISSION

DCWD-PAMANA Joint Venture's General Objective is:

Primarily to attain the highest possible level of water supply services for, as far as feasibly possible, one hundred percent (100%) of water consumers in the JV Area."

DCWD-PAMANA Joint Venture has the following specific objectives:

- 1. To develop new/additional sustainable water sources to meet long- term water demand;
- 2. To reduce and maintain distribution losses (Non-Revenue Water) to national or industry acceptable levels;
- 3. To expand service coverage within the existing barangays utilizing and improving DCWD Facilities.
- 4. To ensure, as far as feasibly possible, uninterrupted twenty-four (24) hour water supply to connected consumers;
- 5. To ensure that water supplied to consumers comply with prevailing standards on drinking water quality under Philippine National Standards for Drinking Water;
- 6. To mitigate tariff impact to Consumers;
- 7. To maintain good and harmonious relationship with water consumers at all times through their improved satisfaction level.

- 8. To protect the environment by ensuring responsible use of groundwater resources, promoting utilization of surface water and providing sound management and protection of watershed, in strict compliance to Republic Act No. 11039 or the Expanded National Integrated Protected Areas System (NIPAS) Act of 2018.
- 9. To assure security of tenure and maintain harmonious work relations, no DCWD absorbed employee regardless of status (permanent, casual, Contract-Of-Service, job order) shall be removed from service for the duration of the contract period, except for cause and after due process.
- 10. As a matter of policy, no retrenchment, right- sizing, downsizing or any other scheme of removing employees shall be implemented for the duration of the contract period, whether directly or through association or contract with an agency.

#### III. SERVICE PLEDGE

We, the officers and employees of the DCWD-PAMANA JV commit to:

**PROVIDE** you adequate, potable, safe, affordable and high-quality water twenty four hours a day seven days a week;

ATTEND to you as soon as you enter our premises from

Dagupan City Water District: Monday – Friday 8:00 am to 5:00 pm PAMANA Water-Dagupan: Monday – Friday 7:30 a.m to 5:30 pm

**RESPOND** to you promptly and take necessary actions to improve our services;

**HEAR** your complaints and suggestions about our services and take necessary actions to improve the same;

**ENSURE** that you will be served by our authorized hardworking and dedicated personnel.

**TREAT** everyone equally.

#### 2. DISCONNECTION DUE TO NON-PAYMENT

Office or Division:

Classification:

Accounts unpaid for two months will be subject to disconnection upon issuance of a Disconnection Notice.

After three working days upon issuance of the Notice, and the account remains unpaid, your water service will be disconnected without further notice.

If payment has been made, you may disregard the Disconnection Notice

Simple

- For reconnection (due to non-payment account) the ARREARS must be paid in full and a reconnection fee of PHP 500.00
- Inactive account for a year (due to non-payment) will be disconnected at Main line.
- Calibration fee (P 50.00) for water meter regardless of the size will be collected to inactive account (more than 3 months) upon request for reconnection.
